To: Group R5Foia/R5/USEPA/US@EPA,

Good Morning,

I would like to request the following CERCLIS file needed to complete a preliminary environmental site assessment for a proposed road improvement project for the Illinois Department of Transportation (IDOT). The only documents needed are the releasable documents that is in the Superfund Enterprise Management System (SEMS) related to any remediation activities including sampling results and if possible maps. If the site is closed than only the closure report would be necessary, if not than the most recent releasable quarterly or semi-annual or annual report would be necessary. No legal documents or permits are required.
